Job Description: **Graphic Designer**
Direct Reports: None

Full Tilt Consulting is a marketing communications agency specializing in elevating brand voices for both internal and external stakeholders. We work with an eclectic mix of clients from many industries, of all sizes, and across the globe. At Full Tilt, we are dedicated to workplace practices that support both work and personal needs and the alignment between the two. We are based in Historic Roswell and, as a team, love to enjoy all the area offers.

We are looking for a creative and organized Graphic Designer to develop engaging and professional creative assets for a roster of clients. This opportunity is perfect for you if you live and breathe storytelling through design and thrive in fast-paced collaborative environment. Our Graphic Designer will be responsible for conceiving and producing relevant high-quality print and digital assets, including but not limited to, corporate collateral, presentations, signage, web graphics, email graphics, and brand identity. This position is a full-time role based in our Roswell office (when we return to the office).

Full Tilt offers generous paid time off and holidays, flexible work options, creative work environment, professional development, and competitive compensation.

Key Responsibilities
- Communicates effectively with internal account teams and copywriters to concept and complete assigned projects and meet project timelines
- Leads design, layout, and production of creative projects to produce quality artwork in alignment with brand standards
- Takes personal accountability for continual education to enable professional development and enhance job performance
- Trafficking and delivering creative through the agency ecosystem

Requirements
- 2+ years within an agency environment or as an agency contractor
- Proven ability to manage multiple deadline-driven projects simultaneously in a fast-paced agency environment
- Exceptional attention to detail
- Have a desire for feedback and professional growth
- Proficiency in Adobe InDesign, Microsoft PowerPoint, and Canva are required
- Knowledge of print production is a plus
- Must be comfortable in a PC environment
- Portfolio of relevant branding, marketing, and communications work
